Holiday Meals

With the Holiday's quickly approaching please keep in mind our reservation guidelines.

We appreciate the courtesy of advanced notice for planning and food ordering purposes. It is important for us to know if a resident is going out and if so, the approximate time and whether a light lunch is needed prior to going out. Guest reservations are available on a first come, first serve basis, **ONE WEEK** prior to the Holiday. Due to the capacity of our main dining room, we will limit the number of guests per resident to 4 guests. Under special circumstances, we may make adjustments. In the past we have had to call a majority of the families to find out their meal plans. This year we will not be making phone calls, all reservations will need to be made thru the office. If we do not hear from your family, we will assume the resident will be staying in for the holiday with no guests arriving. Once our dining room capacity is met we will not be able to accept additional reservations.

Weekend Meals

Saturday and Sunday reservations, must be made by Friday 3pm.

Weekday Meals
